

YOUTH™

We build strong kids, strong families, strong communities.

SPORTS ENRICHMENT ACTIVITIES

Compute & Shoot - The elementary school *Compute & Shoot* league is designed to enhance both computer and basketball skills. The purpose of this league, which runs during the summer, is to promote the importance of the relationship between an education and athletics.

(Grades 4th & 5th - Elementary School)

Compute & Shoot -The middle school *Compute & Shoot* leagues are designed to enhance both computer and basketball skills. The purpose of these leagues, which take place during the school year, is to promote the importance of the relationship between an education and athletics.

(Grades 5th - 8th Middle School)

Midnight Basketball -*Midnight Basketball* is a summer league for boys ages 13-15, and girls ages 13-17. This program is designed to develop basketball and social skills, sportsmanship, and it gives youth a positive environment in which they can enjoy themselves.

(Middle & High School)

Youth Golf Program -Our *Youth Golf Program* teaches golf skills and techniques, as well as proper golf etiquette to middle and high-school boys and girls. The youth involved in this summer program practice and play local golf courses and driving ranges.

(Grades 6th - 11th Middle & High School)

Our Mission:

The YMCA of Southwestern Indiana, Inc., following the example of Jesus Christ, responds to community needs by serving all people, especially youth, through programs that promote healthy spirit, mind and body.
